

# Steve BRINE

for Winchester & Chandler's Ford

## Local people are backing Steve

Steve Brine has established himself as an effective MP in Parliament as well as a reliable and experienced constituency MP. But you don't have to take his word for it ...

### First and foremost, a good constituency MP

"Thank you for your ongoing support Steve. We really appreciate it. You have achieved what you set out to be at the start of your election to Parliament, to be a good constituency MP."

**Jenny Meadows**  
Former CEO Winchester CAB

### When the floods hit our area

"My property was adversely affected by the floods. I would like to record how grateful we are for your support over this difficult period. I have been most impressed with your genuine interest, support and perseverance. I know my neighbours have benefited too. It is reassuring to know that we have a hard-working MP."

**Ray Broughton**  
Littleton

"You do not realise how much your support has made me feel I have been listened to and now my family can do what we believe is best. I am so thankful that words cannot express how I feel to the extent I am currently sat at my desk in tears."

**Harriet Smallbone**  
Chandler's Ford

"I would like to thank you very much for taking the trouble to raise my problem, with such success. It is good to know I have an MP who is so proactive."

**Dr Bevis Hillier**  
Winchester

**For a strong and experienced constituency MP ...  
Make it Steve Again on Thursday 7th May.**

## And for those of us living near it!

"My husband and I live in Otterbourne and we would both like to thank you for all your efforts on behalf of your constituents who suffer daily with the noise impact from the M3. We ourselves welcome your news with great delight and look forward to a "quieter life" when the works are completed."

## A quieter surface on the M3 ...

"I asked your predecessor to address the noisy road surface on the M3. Thank you for embracing this issue with energy and purpose, and getting such results. The kids at Compton school will now be able to hear each other in the playground. As a resident in Micheldever, please do keep up the pressure for the work to complete the resurfacing from junction 9 to 8."

## Keith Redbourn, Editor of The Hampshire Chronicle says ...

"Thank you for your kind words about the new tabloid format of the Chronicle. Similarly, it's good for us to be working with such a committed local MP who 'gets' what we're about."

"There's no doubt, as evidenced by the amount of times you've appeared in the paper, that you have been a hard-working constituency MP, willing to take up causes, as well as initiating your own local campaigns."

## A safe crossing for Osborne School

"Thank you for our new puffin crossing outside our school on Andover Road. It has made our journey to nearby shops and into Winchester much safer. Many of us find crossing very dangerous and now we can cross the road with the minimum of help. Some of us can now cross without help, therefore increasing our independence."

"I thought you gave us a very good resume of the Conference and David Cameron's final speech. I also think you are an excellent MP. Forgive my presumption, but living here for over 40 years I think I am in a good position to judge!"

Winchester City Centre

## Taking an interest in community matters

"We have been following updates on your website and I want to thank you for having such an active interest in our community in Kings Worthy and for your engagement with us. It is encouraging to know that you are striving to help us."

**Dianne & John Richardson**  
Kings Worthy

## Cleaning up our city!

"Our pavements have been cleaned spotlessly for the first time in years and all the residents have been talking about it. Thank you once again for all your effort into listening and helping us with our concerns."

**Nicolette Thornton**  
Highcliffe, Winchester
